

NORTHWEST TIDE

FOOTBALL AND CHEER 2023

NORTHWESTTIDE.ORG

Dear business owners and future sponsors,

First, we would like to thank you for your time of just wanting to learn who we are and what we are about. We are Northwest Tide, a brand-new youth football and cheer organization in the northwest region of Illinois. Our home games and practices are in Elgin, IL. We have partnered with St. Edwards Catholic Central High School to be their youth feeder program. All our home games will be at their field. We are a member of Chicagoland Pop Warner.

Northwest Tide was started with one vision, our youth's future. Not only is providing an extra circular activity so important for children, but so is education. Northwest Tide strides to get children set up for their high school career and provide the materials needed to help them succeed and to stay focused and become well rounded adults that can follow their dreams.

As we all know, making sure that we start off with a strong foundation takes a village, that is why we are reaching out to our community for help, we are looking to use funds raised this year to help cover our field fees, referee fees, practice equipment, football players equipment and cheer mats and gym fees for our cheerleaders to name a few. The community of Northwest Tide are all volunteers, any donation goes directly into our program.

As we want to always be transparent at the moment, we are still working on becoming a non-profit. We hope soon we will be able to call ourselves a non-profit organization.

Please if you have any questions, always feel free to contact Amanda at NWtide.fundraising@gmail.com

We would like to thank you for your support.
